

Remarks

Objection to the drawings and response

In the office action, the drawings of the present application are objected to for failing to show every feature of the invention specified in claims 12, 14 and 15.

Referring to the amendments to the drawings as previously set forth, in response, Applicant has amended the drawings to show every feature of the invention as specified in the claims.

Applicant respectfully submitted that, only some reference numerals specifically recited in the specification are added. No new matter is entered.

In view of the foregoing, objection to the drawings is now overcome.

Objection to the specification and response

In the office action, the disclosure of the present application is objected to because indicators to the missing features in the drawings will need to be added.

Referring to the amendments to the specification, in response, Applicant has added the missing indicators into the specification according to the suggestion of the examiner.

In view of the foregoing, Applicant respectfully submits that objection to the specification is now overcome.

Objection to the claims and response

In the office action, claim 17 of the present application is objected to because it is dependent on claim 15 which teaches four gears not three gears as taught in claim 16.

Referring to the amendments to the claims as previously presented, in response, Applicant has modified the dependency of claim 17. Amended claim 17 is dependent on claim 16. In view of the above, objection to claim 17 is now overcome.

In the office action, claim 24 of the present application is objected to because it is dependent on claim 15 which teaches four gears not three gears as taught in claim 16.

Appl. No. 10/589,600
Amdt. Date: July 20, 2009
Reply to Office action of June 23, 2009

Referring to the amendments to the claims as previously presented, in response, Applicant has modified the dependency of claim 24. Amended claim 24 is dependent on claim 16.

In view of the above, objection to claim 24 is now overcome.

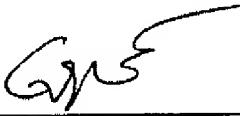

Similarly, Applicant has also modified the dependencies of claims 18-20 and 22-23.

Conclusions

In view of the above, Applicant respectfully submits that all the pending claims of the present application are now in condition for allowance. An act to this effect on an earlier date is earnestly requested.

Respectfully submitted,

Dated: July 20, 2009
